Dear Professor Lederberg,

I enclose herewith the reprint you requested in your card of 7th July, 1952.

I am afraid I shall not be coming to the States this year as I hoped but there is a possibility that I may manage it next year. However, Dr. C.C.Spicer is, I know, coming to work with you for a while and I think you will find him very pleasant company indeed. We work on opposite sides of the corridor in the same building.

Yours sincerely,

A handwritten signature in cursive script, appearing to read 'H. Anderson'.
